

CSS HOMEWORK 04

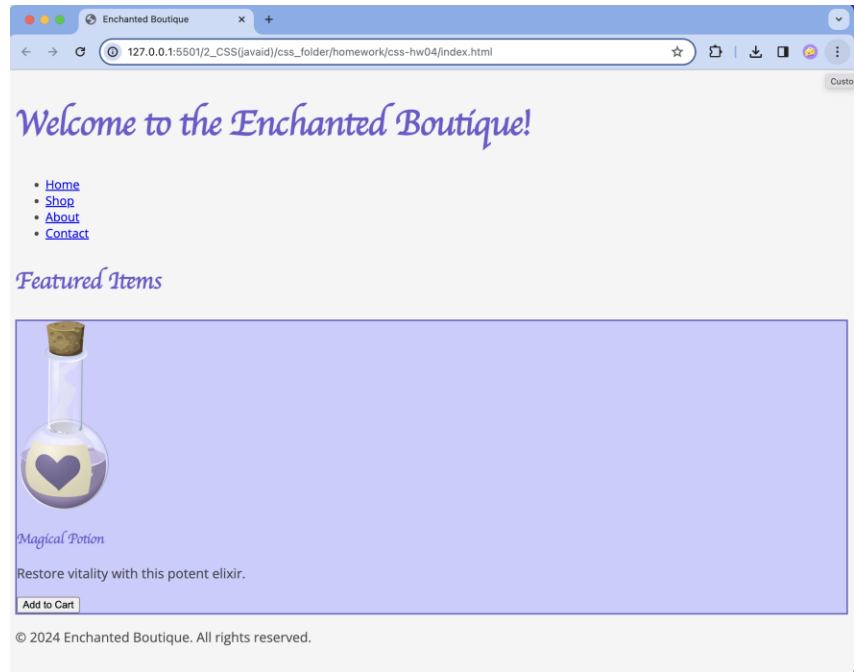

WHIMSICAL ONLINE BOUTIQUE

Prompt:

Imagine you're a CSS wizard working for a magical client who wants to spruce up their website with some enchanting CSS transformations! Your client, a whimsical online boutique specializing in fantastical creatures and enchanted artifacts, wants their website to reflect the magic and wonder of their products. They need your expertise to infuse vibrant colors, mystical fonts, and captivating font sizes into their existing HTML structure.

Requirements:

1. **Colors:**
 - Utilize color names, hexadecimal, RGB values, RGBA values, HSL values, and HSLA values to bring a magical palette to the website.
2. **Adding Fonts:**
 - Incorporate captivating fonts from Google Fonts to give the website a magical touch.
3. **Font Size:**
 - Play with font sizes to create emphasis and hierarchy throughout the website.
4. **Requirements:**
 - Implement at least three different color styles using various formats mentioned above.
 - Integrate at least two unique Google Fonts into the website's typography.
 - Experiment with font sizes to ensure readability and aesthetic appeal.
5. Your result should look somewhat similar to this (feel free to change the colors or border styles):

Rubric:

- **Created a commented Author Section with your name and date (10 points):**
- **Color Styles (20 points):**
 - Implementation of at least three different color styles using various formats (5 points each).
 - Proper use of color formats (hexadecimal, RGB, RGBA, HSL, HSLA) (5 points).
- **Adding Fonts (20 points):**
 - Integration of at least two unique Google Fonts (10 points each).
 - Proper application of fonts to elements (10 points).
- **Font Size (20 points):**
 - Variation in font sizes across different elements (10 points).
 - Ensuring readability and aesthetic appeal with font sizes (10 points).
- **CSS Organization and Readability (30 points):**
 - Clear and logical organization of CSS rules (10 points).
 - Use of comments to explain CSS choices and inspirations (10 points).
 - Consideration for accessibility in font choices and sizes (10 points).

Total Score: 100
